## TO WHOM IT MAY CONCERN

This is to certify that M/s Windsor Refractories, Bombay carried out the Acid and heat resistant bricklining work in our Alum and Sulphuric Acid Projects. They lined approximately 1770 square meters of lining area in concrete and lead lined Process tanks as well as plant drains.

The quality of their work is satisfactory. Their working crew was well behaved and disciplined. We recommend Windsor Refractories for similar jobs.

D.V.N. SASTRY  
Project Manager
